

Dear Donors:

I started out setting up individual letters to each business that was able to help us out in our cause. Then I decided to send out a group letter for all to read with the thought in mind of how your businesses affected helping out those of us on a smaller scale. At the end of this thank you letter I am going to include a list of everyone that donated items for us to use in this years picnic raffle .

I would like you to see that all of you are in great company with businesses that you may know, compete against or distribute products for. Your corporations, private owners or just managers of these companies simply show that there is still hope in America to succeed. All of you belong to a group of companies that at least have the ability to take the time to look at the many requests for donations, and requests that you receive and sort through them, and within good reason are able to help out those that you feel will actually benefit from items your companies manufacture or distribute.

Many of your companies are on a large scale of sales or manufacturing, so I cannot thank you enough for helping out our cause, to raise funds to purchase fish so that we can keep Lake Helen a great fishing lake for years to come. We are a smaller lake in Rosholt, Wisconsin. I started the project "Kids for Fish" with my son having the thought in mind that this would be for upcoming generations of kids to enjoy fishing.

With the five year plan I put together, and the help of a supportive group of kids and adults that gave up some personal time, we were able to raise 6000.00 dollars to do three stockings over a five year period of 2000.00 each time.

As our website WWW.LakeHelenDistrict.com will soon post all the pictures from the last picnic and the thank you letter will get posted along with the list of donors, I hope everyone will see the businesses involved and give their best efforts to support them.

Thank you for all your help and donations :

Mark Brandenburg
Lake Helen, Rosholt WI
Fish Stocking Commissioner

Donor List – 2014 Lake Helen picnic fund raiser for fish stocking
